

Notes/Prayer List:

NAMES

With Which We May Praise the LORD

"THY NAME IS AS OINTMENT Poured FORTH."

This is the most helpful aid to praise and intercession that I have ever found. It has given me a new understanding of what it means to ask "in His Name." His Name is a manifold Treasure. It is the most powerful force there is because it is a revelation of what He is.

This list will soon cause you to become more aware of the fact that He is indeed King of Kings and Lord of Lords in every area into which the regenerated heart of man seeks to move. Its contemplation will certainly lead you to move into new areas.

When I get down before the Lord with this list, time passes and problems melt. I suggest that you allow your mind to meditate on each Name as you pray, until a whole vista of perfection is opened to you, calling forth spontaneous praise. This is worship in Spirit and Truth.

Then I suggest that before you pass on to the next Name, you ask the Holy Spirit to apply all this greatness to some need in your own life or work. You could then go on to pray in the same way for the need as you see it in the life or work of another.

As you do your own study in the Word, you will discover other Names which you will want to add to this list.
